Position Information

Position: Planting Supervisor
Position ID: LR-2101
Supervisor: Land & Resources Manager
Hours: Contract, temporary
Wage Range: Experience and contract dependent
Start Date: Immediate

Job Summary

The Planting Supervisor supports the completion of stream restoration projects within Saik'uz Territory. This project primarily involves cutting willows and planting them in stream banks to prevent erosion and improve fisheries habitat. In addition to these basic duties, the Planting Supervisor supervises other planting staff hired by Saik'uz First Nation by ensuring daily planting targets are met and tracking crew time and travel mileage.

This is a subcontracting work arrangement where work is organized between local companies/organizations and our office. The work is seasonal and is available depending on contracting opportunities. All interested individuals encouraged to apply and can be contacted for future work opportunities.

Requirements:

- Driver's License
- Able to perform strenuous physical labour on a regular basis.

Qualifications & Skills:

- Physically fit
- Reliable and having initiative
- Supervisory experience an asset

Please submit your resume via e-mail to resume@saikuz.com, with the Position ID included in the subject line, by October 7, 2021. This position will remain open until it is filled. Preference will be given to Saik'uz First Nation members.

We thank everyone for their interest; however, only those selected for an interview will be contacted.
