RECORD OF GUESTS

To protect those most vulnerable and to ensure that our health system can care for those who become severely ill, we are asking people to self-monitor their health and to stay home when they are sick.

As the numbers continue to rise in confirmed positive cases for COVID-19 in the Northern Health region, it is critical to keep records for contact tracing.

Any events related to gatherings of people in Saik'uz will be required to use this Record of Guests Form and to submit it after the event to Saik'uz Health for contact tracing purposes. The information collected will be stored electronically and be used *only* for contact tracing purposes.

Reminder: By order of the Provincial Health Officer (PHO), all households in the Interior Health, Island Health, and Northern Health regions must limit gatherings to no more than your immediate household (people living at a home) plus a maximum of six others. Additionally, there is a limit of 50 people allowed at gatherings outside the home. Please keep this in mind when conducting your event.

Date: _____

Time: _____

Function: _____

Location: _____

Name: _____

Name of Person	Phone Number	Home Residence	Lodging	Temperature
John Doe (example)	123.456.7891	Vancouver Island	Staying with Mother in Saik'uz	36.3
